

BURN CELLULITE AND LOSE WEIGHT FAST!!!

Use regularly on problem areas, Supliform body cellulite gel, gives visible results just 10 days

Composition: natural product extracts of ivy (Hedera helix), horse chestnut, capsicum pepper, essential oils and Plant Extract.

Recommend for: cellulite, stretch-marks, fat deposits skin prone to premature aging

- Skin compatibility dermatologically proven.
- Recommended to be used on problem areas but suitable for use all over the body
- Subtle fresh fragrance
- Gel-cream formula is easily absorbed without leaving any product traces on the skin
- Suitable for any age, the product is aimed at anyone who has started to see the appearance of cellulite
- Use alongside your normal body moisturiser, to keep your skin moisturised and at the same time use Supliform to target your problem areas

HOW TO USE

Massage into the problem skin area, using circular motion until the cream is absorbed and warmth is felt. Use sparingly at first, gradually adding more gel each time

Spread the cream over the area that has unwanted fat deposits, daily morning and evening
